On Friday, July 31, 2026, at approximately 1523 hours, Deputy Lewis was dispatched to [redacted] in reference to a suspicious incident.

Central Dispatch reported that the reporting party, later identified as [redacted] a minor (V1), was home alone at the residence at the time of the call. Central Dispatch further reported that an unknown male was on [redacted] porch and was associated with a red Toyota SUV. [redacted] was crying and expressed fear of the male.

While Deputy Lewis was responding, Central Dispatch upgraded the call from Priority 2 to Priority 1 and broadcast emergency traffic. Central Dispatch reported that the male was trying to enter the residence. At approximately 1529 hours, Central Dispatch reported that gunshots had been fired at the location.

Deputy Lewis and other deputies arrived at [redacted] at approximately 1530 hours. Deputies escorted [redacted] to safety and cleared the residence. No additional occupants or suspects were located inside.

Deputies did not observe damage, disturbance, or other indications of forced entry inside the residence. They inspected the interior and exterior of the residence but did not locate bullet impacts or other damage consistent with a firearm discharge. Deputies located one spent cartridge casing in the driveway near the area where the male's vehicle had reportedly been parked. The male associated with the incident was later identified as [redacted] (S1) through the investigation [redacted] below.

Deputies Schram and Lewis interviewed [redacted] explained that she was sleeping when she heard a window being rattled but could not determine which window was involved. When [redacted] went to investigate, she observed a tall, slender white male wearing jeans and no shirt attempting to gain access to the residence.

[redacted] yelled through the door and repeatedly ordered the male to leave. The male initially walked toward his vehicle but then returned to the residence. [redacted] observed him return through a window and opened the exterior door to show him that she was calling law enforcement.

After [redacted] repeatedly ordered the male to leave, he intentionally placed his foot [redacted] the threshold and inside the residence, preventing [redacted] from closing the exterior door. [redacted] attempted to push the male away while continuing to order him to leave. The male responded, "Let me get my foot out of the door."

The male moved away from the doorway long enough for [redacted] to close the door and retreat farther into the residence. As [redacted] retreated, she heard two gunshots outside.

At approximately 1551 hours, deputies located and stopped the red Toyota SUV approximately 11 miles from the incident location, approximately 22 minutes after Central Dispatch reported

that shots had been fired. The circumstances surrounding the traffic stop are documented in the associated supplement.

Before conducting a show-up, Deputy Granito completed a witness show-up form with [redacted] was unable to positively identify [redacted] as the male from the residence.

Although [redacted] could not positively identify [redacted] during the show-up, other evidence connected [redacted] and his vehicle to the incident. [redacted] was the sole occupant and driver of a red Toyota SUV consistent with the vehicle [redacted] by the witnesses. Deputies stopped the vehicle approximately 22 minutes after the shooting was reported and recovered two 9mm semiautomatic handguns and seven spent 9mm cartridge casings from inside the vehicle. [redacted] and [redacted] also independently associated a red vehicle with the gunshots near the residence.

Deputies Lewis and Sanders conducted a neighborhood canvass and contacted [redacted] (O2) and [redacted] (O3) at [redacted] approximately 225 feet from the incident location.

[redacted] reported that, at approximately 1535 hours, she observed a vehicle leaving [redacted] [redacted] while hearing two gunshots that she believed originated from the vehicle. The vehicle traveled east on [redacted] When it reached the eastern end of [redacted] [redacted] heard approximately five additional gunshots. The vehicle later returned to the area and then left again.

[redacted] completed a written statement and confirmed the accuracy of her verbal account while being recorded by Deputy Lewis's body-worn camera.

Based on the reported firearm discharges, [redacted]'s age, the firearms and ammunition recovered from [redacted]'s vehicle, [redacted]'s spontaneous statement, and the additional behavior documented in the associated supplement, Deputy Lewis initiated a Risk Protection Order petition concerning the recovered firearms.

[redacted] was transported to the Volusia County Branch Jail without incident.

Case Status: Adult Arrested/Transferred to ISS.
